

**SAVE  
THE  
STORKS**

At Save the Storks, we create a story of hope and empowerment for every woman facing an unplanned pregnancy.

As churches are trained, as more women are reached online, and as Mobile Medical Clinics and Pregnancy Health Clinics are equipped, our country will see life-affirming change.

Together, we are building a culture that will

*Let Life Happen*

# How We Help

## WOMEN'S HEALTH CLINICS

We partner with Pregnancy Health Clinics to help them grow into, or continue thriving as, trusted, compassionate, and community-rooted women's health care providers.

## MOBILE MEDICAL CLINICS

Save the Storks designs, funds, and places state-of-the-art Mobile Medical Clinics — also known as “Stork Buses” — across the U.S. These clinics bring free pregnancy tests and ultrasounds directly to women in their communities.

## FOR EVERY WOMAN: DIGITAL PLATFORM

For Every Woman is our future-forward platform, meeting women anytime, anywhere with real care and real options. Learn more at: [ForEveryWoman.org](http://ForEveryWoman.org).

# Mobile Medical Clinics

Save the Storks designs, funds, and places state-of-the-art mobile medical clinics — also known as “Stork Buses” — across the U.S.

## THESE CLINICS:

-  Bring free pregnancy tests, ultrasounds, and STI screenings directly to women in their communities.
-  Are staffed by licensed medical professionals and trained advocates who provide compassionate care and connect women to ongoing support.
-  Reach underserved neighborhoods, college campuses, community events, and areas near traditional abortion providers—meeting women when they are at critical decision moments.

*impact:* OVER 109 MOBILE UNITS HAVE BEEN DELIVERED TO DATE, SIGNIFICANTLY EXPANDING ACCESS TO LIFE-AFFIRMING CARE NATIONWIDE.

Recognizing that women seeking help may first search online, Save the Storks supports digital initiatives like ForEveryWoman.org.

## FOR EVERY WOMAN: DIGITAL PLATFORM

-  Connects women with trusted resources and real-time care options.
-  Offers tools such as AI chat support to guide women through pregnancy-related decisions.
-  Bridges gaps where traditional clinic access is limited.
